On April 23, 2014, at approximately 1230 hours, Border Patrol (BP) Agents Abdiel Alonzo was working check point duties at the Sarita, Texas BP Checkpoint, along with Agent Michel Hibdon and his service canine "Zora-C". A red color tractor trailer approached the primary inspection area. BPA Alonzo question the driver, identified as Reynaldo CAPETILLO, about his citizenship, CAPETILLO responded he was a United State citizen. BPA Alonzo then asked if there was some body else in the truck which CAPETILLO responded "no". BPA Hibdon advised the BPA Alonzo that his K9 had alerted to the small side door of the tractor trailer. BPA Alonzo then asked, and received consent to search the cab of the tractor. A subsequent search of the interior of the tractor revealed seven (7) undocumented aliens hiding under blankets in the sleeping compartment. BPA noticed several air fresheners in the tractor. Air fresheners are commonly used to conceal human odor.

All seven (7) subjects were determined to be illegally present in the United States. All subjects were placed under arrest, and transported to the BP Station for processing. CAPETILLO and the seven (7) undocumented aliens were read their rights and stated they understood and signed accordingly indicating they were willing to make statements.

PRINCPAL STATEMENT:

CAPATILLO indicated that he did not know there were people in the tractor. CAPATILLO was called into work to take a trailer to Houston, Texas. CAPATILLO fueled his tractor at a LOVES gas station in Edinburg, Texas and stated he left his tractor unattended momentarily while fueling. CAPATILLO then went to Brownsville, Texas to pick up the trailer he was going to take to Houston. CAPATILLO stated he did not make any other stops.

MATERIAL WITNESS'S STATEMENTS:

Francisco VALENCIA-Gomez stated he is a citizen of Mexico who illegally crossed the Rio Grande on a raft into the United States on February 2, 2014. VALENCIA-Gomez stated he paid \$1,500 to cross the river. VALENCIA indicated that he walked 15 minutes to the road, were he was picked up by a black car that took him to a house were there was a total of seven (7) illegal aliens in the house. Later, a woman picked three (3) of them up in a brown car and drove them to a gas station. VALENCIA indicated she parked her vehicle on the street by the gas station. She instructed them to get in the tractor through the passenger door, and get in the back and cover up with a blanket. VALENCIA stated the tractor did not have a trailer attached when they entered it at the gas station. VALENCIA said he opened the door and was the first one in the tractor. VALENCIA saw a man in the driver's seat. VALENCIA went to the back of the tractor and got on the top bed. VALENCIA heard a voice instruct them to cover up with a blanket. VALENCIA felt the tractor leave, and after about one (1) hour of driving it stopped for about ten to fifteen (10-15) minutes. During the ten to fifteen (10-15) minutes VALENCIA could feel the tractor connecting with something, presumably the trailer.

VALENCIA said once they began driving again they did not stop until BP encountered them.

Sahedy HERRERA-CASTANEDA stated he is a citizen of Mexico who illegally crossed the Rio Grande on a raft into the United States on April 3, 2014, near Matamoros, Mexico. HERRERA paid \$1,500 just to cross the river. HERRERA walked for thirty (3)0 minutes to a house where he stayed for two (2) days. HERRERA was then taken to another house where a man pickup HERRERA and two (2) other aliens in a white truck and drove them to a gas station. The man instructed them to get in the tractor using the passenger side. HERRERA stated the tractor did not have a trailer attached when they entered it at the gas station. When HERRERA got into the tractor he saw a man sitting in the driver seat. HERRERA went straight to the back of the tractor and hid himself behind the driver seat in the corner and covered himself with some hanging clothes. They then drove for forty to fifty (40-50) minutes before stopping. HERRERA said he could feel the tractor connecting with something, presumably the trailer. HERRERA said once they got connected and started moving again they did not stop until they got to the BP Checkpoint.

None of the illegal aliens required medical attention. The aliens did not make any exculpatory statements regarding the case. AUSA Julie Hampton was contacted and prosecution was accepted for violation of 8USC1324.
